

SKYY RIDER™

The Tourister

" India's No.1 Golf Cart "

SKYY RIDER™

AN EXCEPTIONAL DRIVING EXPERIENCE

- Skyy Rider's revolutionary golf car blends impressive performance with stylish aesthetics, delivering a driving experience that goes beyond the golf course. Drawing inspiration from automobiles, embracing new horizons, and crafted with dedication, the Tourister will revolutionise your perception and experience of operating a neighborhood vehicle.

About Us

- Skyy Rider Electric, a state-of-the-art electric golf cart and sightseeing vehicle manufacturing unit based in the heartland of Odisha. Dedicated to excellence, our facility combines cutting-edge technology and sustainable design to create innovative and high-performance electric vehicles.
- The Tourister is more than just a sightseeing vehicle; it's an invitation to explore the world responsibly. With zero emissions and a sleek design, it represents our dedication to providing a unique and eco-friendly sightseeing experience. Whether you're navigating urban streets or traversing natural wonders, The Tourister ensures that your adventure leaves a minimal footprint on the planet.
- Skyy Rider Electric is proud to present The Tourister, inviting you to embark on a journey where every destination is reached with a commitment to a greener future.
